

## **Professional or Aspiring Model Sessions**

### **TFP/TFCD General Policies**

Sessions are scheduled at a mutually agreed upon time for completion at the J&K Creative! studio location unless otherwise noted. Models must be 18 years of age and be prepared to verify their age with a current Minnesota drivers license. Underage models MUST be accompanied by a parent or legal guardian or have a written and signed release by parent or legal guardian.

A standard Model Release form will be available for your signature at the beginning of the session. Current policy requires that a new signed and dated release is necessary for each session even if you have signed one in the past.

Sessions will be approximately 2-4 hours in duration or until either photographer or model decide otherwise.

We request that the model discuss any theme preferences prior to the session and come prepared with several outfit changes including shoes, jewelry and personal cosmetic supplies. Also to be considered are photo props such as sunglasses, hats, jackets, scarves, purses, etc. Personal music choices on cd are encouraged for your comfort and enjoyment.

J&K Creative! will provide all equipment, skill and time in producing the initial images for review. We believe a fair portfolio trade involves time and talent from each to create value and credibility. Computer image transfers, initial editing, archiving and general proof prepping takes a number of hours. We believe that a model's time and travel to the creative session and to the image review session are also time consuming. Therefore, J&K Creative! is proud to provide selected digital files on a disk for your personal portfolio usage. Any additional digital retouch services, prints, files or photo products shall be made available at 40% discount from current retail pricing.

As is currently normal in our industry, reciprocal comments on websites such as Facebook, Twitter, MySpace, or any number of modeling sites are greatly appreciated. The biggest compliment we can hope for is your personal recommendation and referral to family, friends and business associates.
